KRISHNARAJANAGAR TOWN MUNICIPALITY

NO O C 223 /48-49 dated 27th December 1948
Encl

From

The President,
Town Municipal Council,
K R Nagar

To, .

The Secretary to Government of Mysore,
Local Self Government Department,
Mysore

Sir,

I am enclosing herewith a copy of the resolution of the Municipal Council passed at the meeting held on 25th December 1948 and to state that considerable difficulty is felt in meeting the cost of obligatory duties ~~in~~ of this Municipality owing to the financial stringency. The council are anxious to give this town a material development so that it might serve as a model town. The foremost thing that is hindering its progress is finance. Very recently they sanctioned the enhancement of pay to their staff in par with the revision of scales of pay of Government employees. In addition, the compromising ^{demand} of supply ~~in~~ ~~the~~ ~~town~~ of water to the town is maintained with an annual cost of Rs 12,000 against its income of Rs 4,000 per year. As a result of these expenditures which have bloated in all its aspects in proportion the finances have crippled. The other amenities to the rate-payers which are of an urgent nature are denied. These are improvised water supply, drainage, metalling of the roads etc. Unless the resources of the Municipality is increased by way of revision of assessment, shop, land taxes and in the enhancement ~~of~~ in the rate of octroi, there seems to be no balancing of the budget.

The Government order NO L 2554-2620/11 88-48-49 dated 11th September 1948 for the revision of the rates in respect of dutiable articles in the Municipal area was placed before the council. The instructions contained in the Order were also kept in view. The Council unanimously resolved that unless the taxes are raised, the resources of the Municipality will ~~be~~ not improve and there seems to be no balancing of the budget. Hence

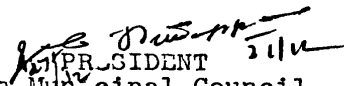

they proposed for enhancement of the land tax etc ,
contemplated in the Notification

Under the circumstances explained above, I
request that sanction of Government may kindly be
obtained for increase of land tax from four annas
per ~~sq~~ 100 sq Yds to eight annas per 100 Sq Yds as
there is provision for levy of maximum rates in the
Town Municipalities Act(vide Section 61 clause (i)
Schedule I A) and for the enhancement of rate of
octroi in respect of the following articles as
maximum rates are being recovered in other cases(vide
Section 61 Clause(iv) -

<u>Name of articles</u>	<u>Rate now existing</u>	<u>Proposed rates of octroi</u>
Class I Articles of food or drink for men or animals -		
1) Sugar	0-2-0	0-4-0 per Md of 960 tolas
2) Ghee	0-2-0	0-4-0 "
3) Butter	0-2-0	0-4-0 "
Class III - Oils and Oil-seeds -		
4) Other oils	0-1-0	0-2-0 "
5) Oil seeds	0-1-0	0-4-0 per candy of 160 Srs
Class IV - Articles used for construction of building materials like timber etc		
6) Teak, honne and black wood	2-0-0	3-0-0 per ton or 50 c ft
7) Other kinds of timber	1-0-0	1-8-0 "

The relative notification of this office calling
for objections, if any, from the inhabitants of this
Municipal area for revision of the above rates under
section 62(b) of the Town Municipalities Act VIII of
1933 accompanies

Yours faithfully,

PRESIDENT
Town Municipal Council,
Krishnarajanagar
